## 11. PLACEMENTS DETAILS FOR THE YEAR 2023-2024

### Placement position (i.e.) Employment pattern of the student trained:

The qualified students of the Degree/Craftsmanship / Diploma courses get good employment and job opportunities in the Hotels, Restaurants, Industrial Catering Establishments, Airlines, Cruise lines, Shipping and Railway Catering / Guest Houses / Catering Institutes etc. Many students have already gone abroad for advanced training in Catering Technology and Hotel Management as well as on good foreign placements. It is no exaggeration that all the bright students of this Institute with credible academic record have been placed in good position in India and abroad while the employment of the rest is more than satisfactory.

The leading hotels have extended their assistance in imparting training to our students and also offer employment in their hotels. They also share their expertise in delivering lectures to our students on topics of special interest and conduct seminars.

As per the syllabus of National Council for Hotel Management and Catering Technology, Noida, the Second year degree students were sent for 17 weeks Industrial Training in 2 batches to various hotels all over India as per the list furnished separately.

These achievements were possible by the courtesy extended by the hoteliers and hospitality industry. The fact that these hotels conduct interview to our Final Year Degree students at the Institute itself for future employment is a very welcoming feature. The Taj HDP, ITC Group of Hotels, Oberoi Group of Hotels, Novotel, Radisson Hotels, GRT Hotel, Hilton, Accord Hotels, Intercontinental Hotels Group, Lemon Tree Hotels Hyatt CLS etc. are some of the Hotels/Airlines/Retailers who conduct Campus Interview in our Institute regularly.

## INDEPENDENT AUDITOR'S REPORT

To

The Board of Governors

Institute of Hotel Management Catering Technology and Applied Nutrition,  
Chennai.

### **Qualified Opinion**

We have audited the standalone financial statements of M/s. Institute of Hotel Management Catering Technology and Applied Nutrition, Chennai ("The Society"), which comprise the Balance Sheet as at March 31, 2024 and the statement of Income and Expenditure for the year then ended and notes to the financial statements including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the entity as at March 31st, 2024 and its income and expenditure for the year ended on that date.

### **Basis for Qualified Opinion**

The following critical points were observed and to be complied with:

1. Note No.3.3.2 of the financial statements contains the details of retirement liabilities, pension liabilities and other related liabilities. The Entity follows cash basis for accounting for these Retirement related liabilities. Hence provision for these liabilities and the related cost is not recognized in the books of accounts which results in non compliance of Accounting Standard 15 and will impact the surplus. We are unable to quantify the amount in the absence of adequate information and non availability of expenditure workings.
2. Non-adherence to the accounting treatment and presentation in the financial statements as prescribed in Accounting Standard 12 – Accounting for Government Grants. This will not have any impact on the Excess of Income over Expenditure for the year.

Contd...2

As a result of these matters, we were unable to determine whether any accounting changes might have been found necessary in respect of the elements making up the Balance Sheet and statement of Profit and Loss.

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matter**

We draw attention to the following: Based on information and explanations received, with respect to the Endowment/Earmarked Funds - Government of India Grant - Building Account contains an amount of Rs. 60,55,596/-, Government of India Grants - Equipments/Furniture Rs.13,10,647/- As per explanations received these are carried over for a long period. Status of these balances is to be obtained and to be reconciled. Our opinion is not modified in respect of these matters.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and results of operations of the entity in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material

misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Contd...3

54

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### 3.7 Financial Statement Enhancement

Previously, receipts and payments for each head were presented together in a single ledger. To improve transparency and clarity, we have modified the presentation to separately display.

- Receipts on the Income side (Fees Receipts-Separately)
- Expenditures on the Payment side (Fees Expenditure- Separately)

Consequently, Schedules 6, 10, and 13 have been regrouped and reclassified to align with this enhanced format. The 2022-2023 financial figures are presented as previously reported, with no changes to ensure consistency with the finalized & Signed balance sheet.

3.8 Schedules 1 to 16 are annexed to and form an integral part of the Balance Sheet and the Income and Expenditure Account for the year ended on that date.
