Placement position (i.e.) Employment pattern of the student trained:

The qualified students of the Degree/Craftsmanship /Diploma courses get good employment and job opportunities in the Hotels, Restaurants, Industrial Catering Establishments, Airlines, Cruise lines, Shipping and Railway Catering / Guest Houses / Catering Institutes etc. Many students have already gone abroad for advance training in Catering Technology and Hotel Management as well as on good foreign placements. It is no exaggeration that all the bright students of this Institute with credible academic record have been placed in good position in India and abroad while the employment of the rest is more than satisfactory.

The leading hotels have extended their assistance in imparting training to our students and also offer employment in their hotels. They also share their expertise in delivering lecture to our students on topics of special interest and conduct seminars.

As per the syllabus of National Council for Hotel Management and Catering Technology, Noida, the Second year degree students Generic batch were sent for 17 weeks Industrial Training in 2 batches to various hotels all over India according to the list furnished separately.

These achievements were possible by the courtesy extended by the hoteliers and hospitality industry. The fact that these hotels interview our Final Year Degree students at the Institute itself for future employment is a very welcoming feature. The Hilton, Leela Palace Hotel, GRT Hotels, Casino Group of Hotels, Alcon Hotels, Mariot, Lemon Tree, Accord Hotels, T.T.D.C., are some of the hotels/airlines/retailers who have conducted Campus Interview in our Institute regularly.
